## Over Thirty Years

In 1872 there was a great deal of diarrhoea, dysentery and cholera infantum. It was at this time that Chamberlain's Colic, Cholera and Diarrhoea Remedy was first brought into use. It proved more successful than any other remedy or treatment, and has for thirty-five years maintained that record. From a small beginning its sale and use has extended to every part of the United States and to many foreign countries. Nine druggists out of ten will recommend it when their opinion is asked, although they have other medicines that pay them a greater profit. It can always be depended upon, even in the most severe and dangerous cases. Put sale by L. S. Simmons.

Elk Grove claims to be second only to Petaluma in its shipments of poultry.

## New Teachers

The following applicants passed successful examinations before the Sonoma County Board of Education and have been granted grammar grade certificates to teach in the public schools of this county: Miss May McMeans, Miss Mildred O. Baldwin, Miss Louise Freitag and Miss Rena Whitaker.

A number of holders of primary certificates took the examination in the remaining studies required and the following well known pedagogues among that list were successful: Miss Minnie D. Cooke, Sonoma; Miss Annie R. Palmer, Thos. B. B. Toumey, A. W. Nolan, Miss Phoebe C. Braman, Miss Charlotte Ayer and Miss Maude E. Banks.

Under the law no more primary certificates are issued in California and all public school teachers must obtain either a grammar grade or a high school certificate to enable them to teach.

The following letter received by us, explains itself:  
Office of the State Forester, Sacramento, Cal. To the Editor.

Dear Sir:—I wish you would call attention through your paper to the fact that the Forest Law of California places a penalty of a fine of not less than \$25.00 nor more than \$500.00, or imprisonment in the county jail not less than 15 days nor more than 6 months, for setting off fireworks in forest or brush covered land, whether this land be the property of the one using the fireworks or not. Please call attention to this matter before July 4, if possible.

Very Truly Yours,  
G. B. LULL, State Forester.

There is one preparation known today that will promptly help the stomach. This is Kodol. Kodol digests all classes of food, and it does it thoroughly, so that the use of Kodol for a time will without doubt help anyone who has stomach trouble. Take Kodol today and continue it for a short time that is necessary to give you complete relief. Kodol is sold by all druggists.

Farmers near Williams have already bought 260,000 grain bags for this season's crop.

## New Schooner Run

Capt. D. L. Larkin will soon start to make regular trips with the Schooner Four Sisters, between Sonoma and San Francisco. The regular runs will be made three or four times per week and will begin as soon as the first fruit is ready for market, and will continue during the season and as long after as business will warrant. Fruit shipped by boat is preferred in the metropolis as it reaches there in first-class shape and sells more readily. The Four Sisters will land at the new landing on Schell's Slough below town, a much nearer point than the old landing. Rates very reasonable, so much so that you can save money by shipping by the Schooner. The San Francisco landing is at Mission Wharf No. 1.

## Case for John Serres.

In the case of John Serres against John Lounibos of El Verano, in an action to adjust a claim for rent and a settlement of accounts between them, Judge Emmet Seawell Saturday rendered a decision. The court finds for the plaintiff in the sum of \$640.40.

## A. E. Sondag, the Tailor

A. E. Sondag, the tailor, formerly of Sonoma, was in the valley this week taking orders for men's tailor-made suits. Mr. Sondag and family are temporarily located in Fruitvale, but the former expects to get permanent quarters for his tailoring establishment in the metropolis, in the near future. For many years he has enjoyed a liberal patronage from this valley and his work always gives satisfaction. Mr. Sondag will make regular weekly trips to the valley and solicits a share of the trade. Give him a trial order for a good suit and you'll be satisfied.

### Everything Ready

Everything is in readiness now for the big race meet in Sonoma to-morrow afternoon. The number of fast horses entered surprised even the officers of the club who expected to hold the best race meet in the history of the club. Go to the races and see the fun, but do rubber over the fence. Admission only 25 cents.

### Don't Do It

Don't set off any fireworks on July Fourth, (to-morrow) or any other day for that matter. It's against the law, you'll be arrested or at least should be. Hundreds of people are killed every Independence Day by the use of explosives, and hundreds of thousands' worth of property destroyed by fire.  
 The use of fireworks in celebrating the Fourth of July is fast becoming a thing of the past. This is as it should be. Noise is not patriotism. Obey the law and don't take any chances of injuring yourself, your neighbor or his property.  
 Twenty-three skidoo for fireworks, the invention of Satan and the Chinese.

### Killed Wild Cat

Last Tuesday, while at her home in Nun's Canyon, Miss Lottie Howard, the popular teacher of Flowery district school, heard an awful commotion in the chicken yard. Going out to investigate, she found a huge wild cat getting material for a chicken dinner.  
 Mr. cat took to flight at the approach of the school marm who started the dogs in pursuit and the thief was soon freed. Miss Howard returned to the house, procured a rifle and went after the cat, but not in fear and trembling. Her aim was true and one shot was sufficient to bring the varmint to earth where his career was ended.  
 Miss Howard is justly proud of her achievement as she had not used a gun for several years.

### In Memory of Mr. McMackin

It is with sorrow we learn of the death of Mr. James McMackin, so well known in this town and valley. He left his old home at Schellville a little over two years ago, going to Oakland to live with his daughter, Mrs. Merriam. The old gentleman was nearly 86 years of age.  
 The Methodists of Sonoma are greatly indebted to him for all he has done for them in connection with their church. On Sunday morning, July 12 inst., a memorial service will be held for him in the M. E. Church, Sonoma.

### A Good Record

Six out of ten applicants from Prof. A. C. McMeans' Normal class were successful in obtaining certificates in the recent teachers' examination. All the new teachers were members of this school, namely: Miss Mildred Baldwin, Miss Rena Whitaker, Miss Louise Freitag, and Miss May McMeans. Mr. Albert Nolan and Miss Minnie Cooke were also of this class. Twenty applicants were examined; eleven were successful, and six out of the eleven were from the Normal school at Santa Rosa.

### Birthday Party

Otto Schumann celebrated the fiftieth anniversary of his birth at Rhinefarm last Sunday. About twenty-five guests were present and a royal good time was enjoyed. There were games, jollity and feasting and the guests at departing wished the genial host many happy returns of the day.

## City Dads Hold Meeting

The regular monthly meeting of the Board of Trustees of the City of Sonoma was held in the City Hall last Wednesday evening. All members being present, Mayor George Breitenbach presiding. The following bills were passed for payment:

H. Pooler, labor, \$2.50; Jos. B. Small, salary and expense, \$25.80; D. Valente, labor and supplies, \$13.75; Sonoma City Water Co., water, \$15; J. H. Albertson, salary, \$15; Frank De Martini, work on plaza, \$62.87; A. W. Adler, cabinet work, \$175; Sonoma Valley Co., lights, \$36.50, labor and material, \$3.35; Wm. Green Est., lumber, \$15.55

A communication was received from Chas. Goetzen asking for the position of janitor of the city hall. The application was filed.

The report of City Treasurer, Jesse Burris, was read and placed on file. It showed total receipts from May 3, '06 to July 1, '08, of \$28,604.35, and total paid out, \$25,127.35, leaving a balance now on hand in the city treasury at the present time of \$3,477.35.

The Cemetery Committee were instructed to select a site on the city's land north of the city for a dumping ground for refuse.

The consideration of the revised ordinances especially the one referring to city licenses, was postponed until the adjourned meeting to be held July 15.

The Plaza Committee were authorized to purchase a suitable flag for the city hall.

The annual ordinance fixing water rates was read twice. It will be read a third time and passed at the next regular meeting.

The Expositor was the only bidder for city printing but owing to the fact that the matter of asking for bids had not been properly advertised, new bids were called for, to be opened at 8 o'clock p. m. July 15.

The proposition of employing a man all the year round to do janitor work, to care for the plaza, and to do repair work about the city, etc., was discussed at length and met with much favor.

The clerk was instructed to ask for bids for hauling and spreading about the city hall, 200 yards of dirt, bids to be opened July 15.

### BUSINESS CHANGE

Chapman Bros., the busy Broadway grocers, have sold their business to Skelton Glaister, a young man well and favorably known in Sonoma's business and social circles. Mr. Glaister will take possession Monday.

Messrs Burney and Rocklin Chapman have been in business in this city for a number of years and have, while building up a fine trade, made many warm friends who will sincerely regret their departure from our city. They expect to leave for Napa next week, where they will engage in a similar business.

Mr. Glaister, the new proprietor, needs no introduction to the people of this city and valley. He is a young man of business experience and ability and we bespeak for him abundant success in his new venture.

### N. S. G. W. Attention

Sonoma Parlor, No. 111, N. S. G. W., have received an invitation to attend a big event in the history of Santa Rosa Parlor on next Wednesday evening, July 8. There will be an initiation of candidates, an installation of officers and a fine banquet. The Sonoma Natives will go to Santa Rosa in Joe Ryan's bus. All members are urged to attend.

### Douglas Church Celebrates

Douglas Church, a well known and popular pioneer orchardist of this valley, celebrated the 77th anniversary of his birth at his home near Vineyard station. A large number of relatives and friends were present on the occasion and a fine feast and jolly good time was enjoyed.

May he live to enjoy many more anniversaries is the wish of his many friends.

### Any Dry Grass?

If you have any dry grass, about your premises, see to it that it is removed before July 4, to-morrow. Better be sure than sorry and remember that an ounce of prevention is worth a pound of cure. Clean up, to day.

### Mr. L. Modini

After an absence of over two years visiting in Italy, L. Modini is expected to arrive in Sonoma almost any day now. He wrote that he would leave New York city for home on June 27 inst. It is presumed that he will make a short stop in San Francisco. His many friends here will be delighted to greet their former fellow townsman.

### Natives Attention!

A full attendance of members is especially desired at the regular meeting of Sonoma Parlor, No. 111, N. S. G. W., next Monday evening, July 6. There will be nomination and election of officers and a banquet. Visiting brothers are cordially welcome.

L. H. GREEN, Sec'y.

### New Ice Cream Parlor

Mrs. J. Palmer has opened a new ice cream parlor and bakery in Glen Ellen, opposite the Northwestern R'y depot. When in that section of the valley, don't fail to give her a call. As Mrs. Palmer is an excellent cook, you may be sure that anything you may purchase of her will be first class.

## Train Wrecked.

The regular morning up-train on the Northwestern Pacific was delayed at Ignacia this morning and as a consequence was over one hour late. Rumor has it that the regular down passenger train this morning was wrecked on the main line at Novato by running into an open switch.

It is also reported that the engineer and fireman were killed and several people injured. No confirmation of these reports could be obtained up to time of going to press.

### Mrs. A. S. Luce, Sr. Dead.

Mrs. Arthur S. Luce, Sr., died very suddenly of neuralgia of the heart, at her home on Humboldt street, Santa Rosa, last Saturday afternoon at 1 o'clock.

The deceased had been enjoying her usual good health up to two or three days before her sudden demise. With her at the time of her death, were Miss May Luce, her daughter, who is a professional nurse, and her sister, Mrs. W. F. Wines.

Her maiden name was Miss Annie Elizabeth Liddle, and had resided in this county most of her 56 years of life. She was the mother of seven children, all of whom survive. They are May, George, Arthur S., Jr., Hughbert, Eloise, Wilfred and Harry Luce. All are residents of Santa Rosa, except George, who resides in the metropolis, and Arthur S. Luce, Jr., who lives in this city.

Deceased was a noble good woman and an ideal mother, and the heartfelt sympathy of all goes out to the grief stricken husband and children in their irreparable loss.

The funeral took place Monday morning from Make's Chapel and was largely attended by sorrowing relatives and friends.

### Jas. McMackin Dead.

Jas. McMackin, the former well-known pioneer of this valley, died at his home in Oakland on June 26, and was buried there last Saturday. Mr. McMackin had resided in Shellville, where he owns a splendid farm, for many years, leaving there about two years ago for Oakland. He leaves a large estate. Mrs. McMackin passed away several years ago. An only child, Mrs. Merriam, and granddaughter, Miss Merriam, survive.

Deceased was a member and ardent supporter of the M. E. Church, of Sonoma, which he greatly assisted in building, and was one of its most substantial benefactors.

Memorial services in honor of his good name and great Christian services will be held in the M. E. Church on Sunday, July 12th.

### Election Carries

The people in El Verano School District, are happy over the result of the election held there last Tuesday. The question voted upon was the issuance of \$3500 bonds for the purpose of raising funds to build and furnish a new school house. The bonds won almost unanimously and as soon as the bonds are sold the new school building, which is badly needed in that growing and enterprising town, will be constructed.

DeWitt's Witch Hazel Salve is good for cuts, burns, bruises and scratches. It is especially good for piles. Recommended and sold by all druggists.

## FACE TO FACE

A New Problem For Women.

In the looking-glass a woman often sees wrinkles, hollow circles under the eyes, a red nose—all because she did not turn to the right remedy when worn down with those troubles which are distinctly feminine. Backache, lassitude, nervousness and the pains and drains of womanhood bring such untold suffering that the face is sure to show it.

Every woman, young or old, is well protected from the face, nervousness, backache, and the many symptoms of disease so prevalent among our women—if they will conscientiously take Doctor Pierce's Favorite Prescription, a safe and sure remedy for the ills of womanhood, because it contains not a particle of alcohol, digitalis or any deleterious drugs. Weak women are made strong and sick women are made well by this splendid prescription which was used by Doctor Pierce in his large private practice in the specialty of women's diseases. Every woman troubled in this way should write him about her case, care of the Yale Hotel and Surgical Institute, Buffalo, N. Y.

Many times women call on their family physicians, suffering as they imagine, one from dyspepsia, another from heart disease, another from liver or kidney disease, another from nervous exhaustion or prostration, another with pain here and

there, and in this way they all present alike the same symptoms and their easy-going and indifferent, or over-busy doctor, separate and distinct diseases, for which he assumes them to be such, proscribes his pills and potions. In reality they are only symptoms caused by some womb disease. The physician ignorant of the cause of suffering, encourages this practice until large bills are made. The suffering patient gets no better, but probably worse, and the disease, by wrong treatment and consequent complications. A proper medicine like Dr. Pierce's Favorite Prescription, directed to the cause, would have entirely removed the disease, thereby dispelling all those distressing symptoms, and instituting comfort instead of prolonged misery. It has been well said that "a disease known is half cured." In cases almost innumerable, after all other medicines had failed to help and doctors had said there was no cure possible, the use of Dr. Pierce's Favorite Prescription, supplemented, when necessary, by the medical advice and counsel of Dr. Pierce, has resulted in a perfect and permanent cure.

### THE SECRET OUT.

To refute the many false and malicious attacks, bogus formulas and other untruthful statements published concerning Dr. Pierce's Family Medicine, the Doctor has decided to publish all the ingredients of this medicine, and place the same on the wrapper enclosing each bottle. The exact working formula for making these medicines cost Dr. Pierce and his collaborating Chemists and Pharmacists many years of study and experiments, but as perfected they produce almost perfect pharmaceutical compounds, embodying all the active medicinal principles residing in the ingredients employed for the purpose of curing the various ailments of the human system, and perfectly for any length of time and in any climate without the use of a drop of alcohol.

These are the Original Little Pills. First put up over 40 years ago, by Dr. R. B. Pierce. They have been much imitated but never equaled. Smallest size, each box contains 100 pills. They are made of refined and concentrated vegetable extracts. With the exception of a few cases of indigestion, bilious attacks, sick and bilious headaches, and all derangements of the liver, stomach, and bowels are prevented, relieved and cured. Permanently cured, too, by their use, and natural action, these little pills really feed the system into natural ways again. Their influence lasts.

## BREVITIES

A serious plague of grasshoppers has affected the Fall River valley. Crops which have been planted, were completely wiped out.

The government is advertising for bids for the Orland Irrigation project. It involves the placing of about 13,500 cubic yards of concrete.

Dry spring has caused a shortage of potatoes from the lower Sacramento valley section.

Use DeWitt's Little Early Risers, pleasant little pills that are easy to take. Sold by all druggists.

Cuttings of black figs planted at Indio this spring are already producing fruit.

Hop growers at Biggs have perfected a machine for picking hops which it is claimed will revolutionize the hop industry.

DeWitt's Witch Hazel Salve is good for cuts, burns, bruises and scratches. It is especially good for piles. Recommended and sold by all druggists.

Montana is to devote a large tract of land to breeding the American bison or buffalo.

Bert Barber, of Elton, Wis., says: "I have only taken four doses of your Kidney and Bladder Pills and they have done for me more than any other medicine has ever done. I am still taking the pills as I want a perfect cure." Mr. Barber refers to DeWitt's Kidney and Bladder Pills. Sold by all druggists.

Hunting tags to the extent of 115,000 were issued to this State last year. The law has proven a remarkable success.

Just a little CASASWEET is all that is necessary to give your baby when it is cross and peevish. CASASWEET contains no opiates nor harmful drugs and is highly recommended by mothers everywhere. Conforms to the National Pure Food and Drug Law. Sold by all druggists.

Farmers at Sebastopol have formed a free market association to avail themselves of the free market in San Francisco.

This is what Hon. Jake Moore, State Warden of Georgia, says of Kodol for Dyspepsia: "E. C. DeWitt & Co., Chicago, Ill.—Dear Sirs—I have suffered more than twenty years from indigestion. About eighteen months ago I had grown so much worse that I could not digest a crust of corn bread and could not retain anything on my stomach. I lost 25 lbs; in fact I made up my mind that I could not live but a short time, and when a friend of mine recommended Kodol. I consented to try it to please him and was better in one day. I now weigh more than I ever did in my life and am in better health than for many years. Kodol did it. I keep a bottle constantly, and write this hoping that humanity may be benefited. Yours very truly, Jake C. Moore, Atlanta, Aug. 10, 1904." Sold by all druggists.

### IMPROVED FORM OF BLACKLEG VACCINE.

The advantages of Blackleg Pills over the powder form of vaccine are that the time and bother of mixing are saved; that the dose is absolutely uniform; that a package may be opened and only a part used, the rest being saved for future use; that the operation of using it is far safer and simpler than that of using the powder form; that the slower absorption of the pills tends to the production of a higher degree of immunity. The injector is a very simple instrument that is practically indestructible, and on account of its simplicity is little likely to get out of order. The operation of vaccinating consists simply of putting a pill in the hollow needle of the injector and after the needle has been pushed into and under the skin (between the skin and muscle) the pill is ejected by means of a plunger which is operated by a thumb-piece on the side.

### The Cost of Vaccination.

This is governed not by what you pay for vaccine, but by what protection you get from it. If out of a hundred animals vaccinated with vaccine that may have cost you little or nothing, you lose one animal that might have been saved if a fresh, uniformly reliable and easily applied vaccine had been used, your free vaccine will have cost you two or three times what you would pay for a reliable article.

We are assured by the reports of users that the products of The Cutter Laboratory, Berkeley, California, are of the highest standard, and they are certainly fairly priced. This laboratory produces biological products only (vaccines and serums) and makes a specialty of the investigation of infectious diseases of men and animals. Their booklet on Blackleg and Anthrax may be obtained free on application to the Laboratory.

Those stockmen who are not familiar with the pill form of vaccine should certainly investigate the matter. If they do they will abandon the use of the uncertain and venal powder form.

### Boy's Life Saved

My little boy, four years old, had a severe attack of dysentery. We had two physicians; both of them gave him up. We then gave him Chamberlain's Colic, Cholera and Diarrhoea Remedy which cured him and believe that saved his life. WILLIAM H. STROILING, Carbon Hill, Ala. There is no doubt but that this remedy saves the lives of many children each year. Give it with castor oil according to the plain printed directions and a cure is certain. For sale by L. S. Simmons.

The proposed Iron Canyon dam in Tehama county, if constructed, will irrigate about 3,000,000 acres of land in the Sacramento valley. It will store about 250,000 acre feet.

### Twenty-Five Cents is the Price of Peace

The terrible itching and smarting, incident to certain skin diseases, is almost instantly allayed by applying Chamberlain's Salve. Price, 25 cents. For sale by L. S. Simmons.

Southern California output of walnuts this year will be about 9000 tons.

### Help For Those who have Stomach Trouble

After doctoring for about twelve years for a bad stomach trouble, and spending nearly five hundred dollars for medicine and doctors' fees, I purchased my wife one box of Chamberlain's Stomach and Liver Tablets, which did her so much good that she continued to use them and they have done her more good than all the medicine bought before. SAMUEL BOYER, Folsom, Iowa. This medicine is for sale by L. S. Simmons. Samples free.

### Change of Freight Rates

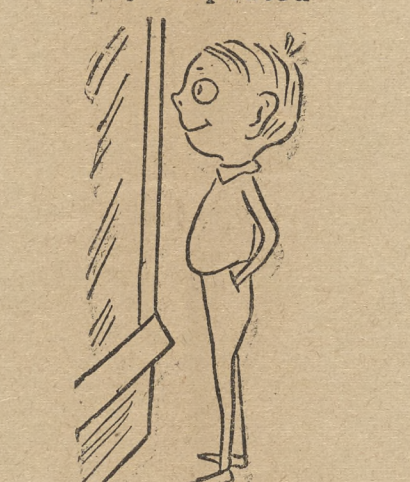

In view of the fact that Harriman and the Santa Fe jointly own the Northwestern Pacific railroad which runs from Tiburon through Petaluma, Santa Rosa and Healdsburg to Ukiah and on to Sherwood, it has been arranged that on September 1, 1904, a change that will be very beneficial to shippers will go into effect.

The new rule will do away with what are known as "local charges" from points on the Northwestern Pacific to Schellville to connect with the Southern Pacific or to Point Richmond to connect with the Santa Fe, and shippers will pay a direct rate over either road on eastern or southern shipments.

### Chamberlain's Colic, Cholera and Diarrhoea Remedy Would Have Saved Him \$100.00

In 1902 I had a very severe attack of diarrhoea," says R. N. Farrar of Cat Island, La. "For several weeks I was unable to do any thing. On March 18, 1902, I had a similar attack, and took Chamberlain's Colic, Cholera and Diarrhoea Remedy which gave me prompt relief. I consider it one of the best medicines of its kind in the world, and had I used it in 1902 believe it would have saved me a hundred dollar doctors' bill. Sold by L. S. Simmons.
